

Roster for Warragul Twilight Meet 3rd August 2019

For winter meets the club is expected to fill all roles (including timekeeping). Please note all the profits for winter meets go to the club so whilst it's a huge task for families our members gain the benefit. We appreciate all of your support in helping out. We will be checking in with timekeepers to make sure you are ok and don't need a break. We apologise we have had to roster you on for longer timeslots than normal but there are lots of jobs and many are working all day. Please be aware your name might appear **more than once** on the roster (please also check the roster for other roles too). It has taken a long time to compile this roster to ensure it is as fair as possible so if you are unable to fill your role could you please arrange to swap with someone else. Toni and some Team Managers will be available on the day to answer any questions and if it is your first time as a volunteer please just let someone in a Warragul top know and we will ensure you are looked after. Volunteering is fun, honestly!
