

Victorian Short Course Champs 17th & 18th August Ballarat

Warragul Parent info and Timekeeping Roster

Training 5pm at the pool on Friday for those who are heading down early. This will be an opportunity to get your registration passes and program. If you can't make training either Toni or Jo will collect the rest of the passes and hand out when you arrive.

For those who have not attended a Country Short Course Championship event before please be prepared....it is warm, noisy and very, very busy! There is no need to bring chairs; there will be no floor space available to place them!!! Food is usually well catered and at the last Championship held here a number of external food vans were located in a designated food court area outside.

Warm up: The warm up schedule is on the Swimming Victoria website. Paul has requested swimmers to be at the pool at 7.30am on Saturday.

Seating is very limited on poolside. Its is very important that for the comfort of spectators that **NO SWIM BAGS OR KIT BAGS** be left on the Grandstand. We will identify an appropriate location for storage close by and request that no valuables be left in unattended bags.

Please note our allocated seating is in Bay 1: F11-F14, G9-G14, H9-H14, I9-I14, J9-J14 Sharing the bay with Geelong Sharks. It is common that other clubs spread out into unattended seats; it is also very common that we respectfully ask them to move when they do this!!!!

Club dinner. We have arranged a club dinner on Saturday night; 7pm at Golden City Hotel, 427 Sturt Street, Ballarat. Its a family bistro, please order individually.

Timekeeping. We only have to provide 2 timekeepers for lane 8 on Saturday only. They are the best seats in the house so we will share this out. Helpful hint...take a change of shoes or wear thongs when timekeeping, you can get very wet! If you are not rostered on but would like to help please let Toni or Jo know as it would be great if parents could swap in and out to enable timekeepers to watch their child's race.
